Discuss and appoint a contractor to repair to the wall at Arwelfa Cemetery

It was reported that three new contractors had submitted quotes. Dylan Davies was thanked for coordinating with them.

PENDERFYNWYD: Bod y Cyngor, wedi ystyried tri dyfynbris ar gyfer y gwaith atgyweirio, yn derbyn y dyfynbris gan Dafydd, Dinas Contracting Cyf ac yn awdurdodi'r Clerc fel Swyddog Priodol i wneud y trefniadau angenrheidiol ar gyfer y gwaith ac i weinyddu taliadau yn unol â'r Rheoliadau Ariannol.

Nododd y Cyngor fod y dyfynbris a ddewiswyd yn fwyaf cost-effeithiol gan gyflenwr lleol, ac felly bod y penderfyniad yn cydymffurfio â'r Rheoliadau Ariannol (sy'n mynnu bod ymrwymadau dros £5,000 yn cael eu cymeradwyo gan y Cyngor llawn).

Cytunwyd hefyd na fyddai'r gwaith canlynol yn cael ei wneud ar hyn o bryd:

Pigo ac ail-bwyntio darnau eraill ar hyd y wal rhwng y brif fynedfa ac yn ôl i ben y wal ochr Penmachno. Dylid ail-bwyntio'r wal gyda mortar calch i weddu gyda'r presennol. Hefyd ail-bwyntio'r pileri pob ochr i giatiau'r fynedfa.

Bydd hyn yn arbed £4,839 o'r dyfynbris.

Y parth terfyn cyflymder 20mya ym Mhenmachno

Adroddwyd bod y cyngor cymuned wedi cael ei ofyn i roi sylwadau ar adolygiad o'r parth 20mya ym Mhenmachno. Dangosodd arolwg diweddar gydymffurfiaeth wael, ac nid oes gan Heddlu Gogledd Cymru unrhyw gofnod o orfodi'r terfyn cyflymder. Cytunodd y cyngor y dylai'r terfyn 20mya aros yr un fath.

Materion eraill

NP4/29/LB208 Caniatâd Adeilad Rhestredig i ail-doi ysgubor a gosod nwyddau dŵr glaw haearn bwrw: Dim gwrthwynebiad.

Trac Newydd, Carrog: Adroddwyd, er gwaethaf trefnu cyfarfod safle gyda CNC ym mis Ionawr, nad oes unrhyw welliant i'r llifogydd o'r llwybr coedwig newydd i'r de o Garrog, i'r gorllewin o Ffordd Hafod Redwydd. Penderfynwyd trefnu cyfarfod safle arall gyda CNC.

RESOLVED: That the Council, having considered three quotations for the repair work, accept the quotation from Dafydd, Dinas Contracting Cyf and authorise the Clerk as Proper Officer to make the necessary arrangements for the work and to administer payments in accordance with the Financial Regulations.

The Council noted that the quote chosen was the most cost-effective from a local supplier, and therefore the decision complied with the Financial Regulations (which require commitments over £5,000 to be approved by the full Council).

It was also agreed that the following work would not be carried out at this time:

Rake out and repoint other sections along the wall between the main entrance and back to the end of the wall on the Penmachno side. The wall should be repointed with lime mortar to match the existing. Also repoint the pillars on each side of the entrance gates.

This will save £4,839 from the quote.

The 20mph speed limit zone in Penmachno

It was reported that the community council had been asked to comment on a review of the 20mph zone in Penmachno. A recent survey showed poor compliance, and North Wales Police have no record of enforcement. The council agreed that the 20mph limit should remain unchanged.

Other matters

NP4/29/LB208 Listed Building Consent to re-roof a barn and install cast iron rainwater fixtures: No objection.

New Track, Carrog: It was reported that, despite organising a site meeting with NRW in January, there is no improvement to the flooding from the new forest track south of Carrog, west of Ffordd Hafod Redwydd. It was decided to organise another site meeting with NRW.
